

MATHEMATICAL EXPRESSIONS RUBRIC

WOW!

19-20 points

Quantum mechanics

Your expression surprises, delights, or enlightens, illuminating the text and our understanding with a novel or perspicacious reading or connection. Written explanation is elegant and lucid, demonstrating thoughtful and sophisticated consideration of text.

OoOOoh, okay, I see.

16-18 points

Trigonometry

Your expression conveys a solid understanding of the text, making connections and adding to our understanding but lacking the elegance, novelty, or insight of a superior expression. Written explanation lacks clarity, insight, or textual evidence to fully support expression.

Meh.

14-15 points

Calculus

Expression is straightforward and simple representation of textual themes, connections, or events, lacking sophisticated understanding of text. Written explanation adds little to expression or reveals lack of depth.

Huh?

13 or below

Addition/Subtraction

Expression is facile, incorrect, or superficial rendering of text. Written explanation adds little to understanding.
