

CONNECT THE MINDS (CTM) FUN QUIZ

For this quiz you need to make connections between texts. **Make sure you are specific – for example, if you are using a passage from a book or other media write out the EXACT QUOTE OR PASSAGE** in the upper box. Use the bottom of each box to explain why you connected the two passages, experiences, passages, ideas, or images. Remember, in a post-modern world ANYTHING can be considered a text; as Paulo Freire said, “we must read the word and the world.”
