CONNECT THE MINDS (CTM) FUN QUIZ

For this quiz you need to make connections between things you've read, heard, seen or experienced inside and outside of class.

Make sure you are specific about the ideas you are going to connect. For example, if the idea you are using comes from a book or film you want to copy the **EXACT passage** from the book in one of the upper boxes. Use the bottom rectangle of each box to explain **WHY** you made a unique connection between two ideas.
